

The Negotiation Journey

FROM FUNDAMENTALS
TO MASTERY

A woman with long brown hair, wearing a dark blue blazer over a white top, is smiling warmly. She is seated at a table, and the heads and shoulders of two other people are visible on either side of her, suggesting a collaborative meeting or negotiation. The background is a soft-focus office environment.

The Art & Science of Negotiation

Imagine walking into any negotiation, whether with clients, partners, or colleagues and knowing how to guide discussions, influence decisions, and reach strong agreements. This immersive program will transform you into a persuasive, adaptive negotiator, equipped to handle real-world scenarios using proven tools like BATNA, WATNA, ZOPA, and WAP, alongside tactics such as anchoring, framing, and logrolling. Beyond strategies, you'll build emotional intelligence, navigate cross-cultural and multi-party dynamics, and develop the trust needed to craft lasting, win-win solutions.
